**COVID precautions:** For in-person workshops, Chemstations follows current recommended health and safety practices to help prevent the spread of COVID-19.

**Note for virtual workshops:** Our training courses rely heavily on interaction between the instructor and attendees. As such, we require participants' cameras to be on during virtual workshops.

**Registration/cancellations:** Chemstations reserves the right to cancel/reschedule any workshop, in which case all fees will be refunded. If an attendee must cancel after fee payment, Chemstations will credit that fee toward a future workshop. Attendee substitutions may be made at any time.
